## ***CALL TRACKING***

**CarCasm is now offering call tracking! This type of marketing allows dealerships to see which advertising is giving them the largest return on investment (ROI). We have local and toll-free number plans to suit your needs.**

**Here are some of our call tracking features:**

- Our system captures the caller's phone number**
- Each call is logged under the call source within our control panel**
- All calls are recorded for later review**
- Any missed calls can be reviewed so you can return the phone call and turn it into a hot lead**
- New phone numbers can be added in minutes**

**CALL FOR PRICING. YOU WON'T REGRET IT!**
